REGULATIONS REGARDING COURSE OF STUDY ADOPTED FOR THE GRADED SCHOOLS.

SCHOLARSHIP.—At the middle and close of each term a statement showing the progress and deportment of each pupil in the grammar and high school departments shall be sent to the parents. The committee request parents to examine same carefully, sign and return.

EXAMINATIONS.—In all grades above primary, examinations shall be held at the middle and close of each term, and in case of absence of a pupil, such pupil must pass the examination before going on with the class.

PROMOTIONS.—At the end of the year, at the close of the summer term in June, each pupil whose standing, computed from daily recitations and the regular examinations, averages for all studies 70 per cent. shall be promoted to the next higher grade. A pupil whose average is less than 70 will seriously endanger his chances of promotion. Promotions will be publicly announced at the annual graduating exercises.

HONORS.—The honors of valedictory and salutatory shall be assigned upon the basis for scholarship of the last year's course in the high school department.

RHETORICALS.—Regular exercises in essay writing and in declamations or recitations shall be held in all grades above primary, and such exercises shall be marked same as in other studies.

REPORT OF THE SCHOOL BOARD.

To the Parents and Citizens of the School District of Troy:

At the close of another school year we render unto you an account of our stewardship.

We are pleased to report the schools of the town in a prosperous condition, and as a whole doing good work. The last of the debt on the schoolhouse has been paid during the past year, and we congratulate the people of Troy on owning, free from debt, as good a school building as can be found in any town of the size in the state; as the town grows, however, we find it is none too large to meet the requirements of the schools. The past year shows a registration of 275 different pupils in town, the largest number ever registered. This taxes to the utmost the capacity of our rooms, especially in the lower grades, and if the number continues to increase it is only a question of a very short time when something will have to be done to relieve this congested condition, either a new building or an addition to the present one.

We have been obliged to make some repairs on the heating apparatus the past season. There has been a continued complaint that the intermediate and grammar rooms could not be properly warmed in the coldest weather; to remedy this we have taken some of the radiators from the other rooms that were not needed, and placed one more in each of these rooms, on the north side. We also found it necessary to replace the grates in the furnace and make some other repairs. This has been done at a total cost of \$62.74, and we think the apparatus is now in good condition.

A class of six was graduated from the high school department last June, and the exercises were of the same interesting character which has distinguished the similar occasions in the years past, and evinced careful preparation and thorough work. The address by Rev. S. H. McColester of Marlboro was in his usual scholarly manner and deeply interesting and instructive. These graduating exercises and the reception by the class, have become one of the leading features of the seasons, and by the attendance and interest taken show that the people appreciate the efforts of the class.

We have continued, so far as possible, the custom of preceding years, of retaining the services of the experienced teachers, believing that better work can be accomplished than by frequent changes.

The high school department has continued under the charge of Charles J. Ross, who has labored hard for the welfare of the school. It is to be regretted that so many should drop out of school before reaching this department, because the studies taken up in this school are among the most necessary for one who completes their education here.

In the grammar school, Miss Eva M. Fisher has again been in charge. Her continuance in this department ever since the present grading of the schools, is an assurance of the faithfulness of her work, and the past year has been no exception to her record as a teacher.

At the beginning of the fall term Miss Grace M. Putney resigned as teacher in the intermediate department, owing to continued ill health. While we were sorry to lose the services of this teacher, we were extremely fortunate to be able to retain Miss Luetta M. King, who had substituted for Miss Putney the two preceding terms, in her place. Miss King is a strict disciplinarian, and at the same time retains the good will and respect of all her pupils, and under her excellent methods the school has made rapid progress.

Mrs. Hattie C. Parker has continued in charge of the secondary department with her usual success, winning the

esteem of the children, and at the same time carrying them through the grade work with great credit to herself and her school.

Miss Jessie F. Goodrich taught the primary school the spring and fall terms, showing great adaptability in the work of this grade and under her charge the school made good progress. At the beginning of the winter term Miss Florence H. Silcox had so far recovered her health as to be able to resume her work, but owing to a severe cold (or the prevailing distemper), she was unable to continue, and Miss Jennie C. Wright, who had taught the two past terms in the Merrifield school was engaged to finish out the term. This was Miss Wright's first experience in graded school work but she very soon mastered it and under her teaching the school shows good results.

Miss Bertha E. Wheeler of Keene has continued to give instruction in vocal music one day each week. We feel that this is an excellent movement and that the parents will feel amply repaid for the small expense it incurs, and should encourage their children in this branch of the school work.

At the beginning of the spring term, new scholars having moved to East Hill, it was thought best to open that school again, and thus in a measure relieve the crowded condition of the village schools. Miss Jessie E. Mahon was placed in charge and the school the past term has numbered 17. This was Miss Mahon's first school, and we think that with more experience and a little more attention to discipline, will make a good teacher.

The West Hill school has continued under Miss Pauline Lowe's guidance which is a sufficient guaranty of the faithful work done and good results accomplished.

At the beginning of the spring term Miss Laura J. Mitchell, who had taught the Merrifield school for six years, resigned to accept a school elsewhere. We were fortunate in securing the services of Miss Jennie C. Wright of Keene, to fill the vacancy. Miss Wright came well recommended, and has proved an excellent teacher. The school under her guidance showed good progress.

The following are on the roll of honor for the year ending Aug. 1, 1899 (not having been absent or tardy during the year):

SECONDARY DEPARTMENT.

James Watkinson, George H. Keyes.

INTERMEDIATE DEPARTMENT.

Alice M. Guillow, Minnie J. Starkey, Lessie I. Maddox, Effie E. Hardy, Roy H. Jarvis.

GRAMMAR DEPARTMENT.

Elsie M. Greenwood, Arthur H. Parker, Mary S. Ripley, Don W. Randall.

WEST HILL.

Ethel M. Edwards, Arthur J. Edwards.

MERRIFIELD SCHOOL.

Cora A. Frazier, Ellen F. Merrifield, Laura D. Merrifield, Lena D. Merrifield, Harold J. Mitchell.

The past year there have been two terms in each of the outside schools, one of ten weeks in the spring and another of fourteen weeks in the fall. It has been the aim of the board to have these schools commence as early in the spring as the traveling was suitable, and continue in the fall until extreme cold weather set in, thus giving to these districts as much schooling as possible.

We were most fortunate in receiving from the state an allotment of \$374.94 under the provisions of Chapter 77 of the Session Laws of 1899. This money was received too late to change our plans as already marked out for the past year and therefore remains in the treasury. The intent of the law is, that this money shall be used exclusively in supplementing the efforts already made, and not to take the place of or to relieve the town from raising the usual amounts for the support of schools. It is not a fixed sum, but is apportioned to the different towns that come within the scope of the law each year, therefore what we shall receive from it this year— if anything—is an uncertain quantity.

It will require about the same amounts for the support of schools the coming year as it has the past, and we would recommend that the same amounts be raised.

There is some repairing that needs to be done the coming season. The East Hill schoolhouse needs some repairs quite badly, the chimney needs building up, the front end clapboarding, the building painted inside and out, etc. The floors of the basement of the new building need cementing over, the ceiling and walls whitened and some other minor repairs made. For this purpose we estimate that \$225.00 will be required.

Respectfully submitted,

HENRY L. BARNARD,
FRANKLIN RIPLEY,
AURILLA M. HARRIS,
School Board of Troy.

FIREWARD'S REPORT.

There have been six alarms given the past year. For brush fire on L. Farrar place, two fires at brick yard, at A. G. Cota's store, at C. A. Farrar's mill, and at G. P. Russell's house, occupied by John Pelkey. The only loss of any amount was at Cota's store, the inside being considerably burned and the goods badly damaged.

We have put in a well at the side of the brook near box shop which gives a good supply of water for that part of the village. The apparatus is in good condition.

Respectfully submitted,

ASA C. DORT,
Chief.

M. T. STONE,
Town Clerk.

STATE OF NEW HAMPSHIRE.

To the inhabitants of the town of Troy, qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on the second Tuesday of March next, at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1.—To choose by ballot and major vote, a town clerk, three selectmen, a town treasurer, a road agent or agents, and all other necessary town officers and agents.

ART. 2.—To raise such sums of money as may be necessary for the maintenance of the poor.

ART. 3.—To raise such sums of money as may be necessary for repairing of highways and bridges.

ART. 4.—To see what sum of money the town will raise for school supplies.

ART. 5.—To raise such sums of money as may be necessary for all other necessary town charges.

ART. 6.—To see what sum of money the town will raise for the public library in addition to the sum required by law.

ART. 7.—To see what sums of money the town will raise for repairing the sidewalks.

ART. 8.—To see if the town will by vote, contract with F. S. Bertwhistle, or the Troy Water and Improvement Company, to rent hydrants for fire protection, for a term of years, and raise and appropriate money therefor.

ART. 9.—To see if the town will instruct the selectmen to establish the bounds of the public parks, and any streets

that may be necessary, and appropriate money for the same.

ART. 10.—To see if the town will vote to discontinue the highway laid out by the selectmen in February, 1899, beginning at the end of the present street, near W. J. Holland's, and thence in a southeasterly direction to the dump of the Troy Granite Co.

ART. 11.—To see if the town will vote to bring water to a public trough at some point near the park, and appropriate money for the same.

ART. 12.—To see if the town will instruct the selectmen to sell the band instruments owned by the town.

ART. 13.—To hear the reports of agents, auditors, or committees, heretofore chosen, and take any vote in relation thereto.

ART. 14.—To see if the town will vote to instruct the selectmen to borrow money to pay town charges.

ART. 15.—To allow accounts.

ART. 16.—To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-third day of February, 1900.
